SALE OF LIQUOR

Standard New Zealand laws apply in regards to the sale of liquor.

The management and staff of Ātaahua believe that we have a responsibility to provide an environment that is not only comfortable and welcoming but also where liquor is served and consumed responsibly.

Ātaahua staff reserve the right to refuse service of alcohol to anyone who :

- Fails to show proof of age identification on request. Our policy is to ask anyone who appears to be under 25 years of age for identification. Acceptable forms of proof of age are the photo driver's license, the HANZ 18+ card or a current passport;

- Is intoxicated.

If your guests become intoxicated, we encourage them to either slow their rate of alcohol consumption, have something to eat or perhaps call it a night and call a taxi. We ask that you act responsibly and support us if the above intervention is required.

As responsible hosts we aim to ensure that everyone has a good time and leaves in good shape for the road home. It could save your life.

BAR SET UP

Ātaahua is fully licensed; All beverages are to be purchased through the bar with the exception of wines. The client hiring the venue may provide BYO wines, some conditions apply.

Details of individual requests such as bubbly on arrival, bottles of wine on tables, tea and coffee station etc will be discussed on a case-by-case basis.

Bar can either operate with a tab running, a cash/eftpos bar, or a combination of both, e.g. beer and wine on tab, spirits to be purchased.

It is Ātaahua policy that any unpaid bar tabs are the responsibility of the client who booked the function and must be paid by the end of the event.
